

Análisis de vídeo “Síntesis de Proteínas

Nombre \_\_\_\_\_ grupo \_\_\_\_\_

En los cuadros señala la secuencia del proceso

The form consists of two rows of three frames each, resembling a film strip. The frames are numbered 1 through 6. Frame 1 is in the top-left position, frame 2 is in the top-middle, and frame 3 is in the top-right. Frame 4 is in the bottom-left position, frame 5 is in the bottom-middle, and frame 6 is in the bottom-right. Each frame is a white rectangle with rounded corners, set against a black border that mimics the sprocket holes of a film strip.
